

North Tahoe Public Utility District Low Flow Toilet Rebate Credit Application

Low Flow Toilet Rebate Credit Program Guidelines

1. NTPUD water customers are eligible for rebate credit. A water customer is defined as the customer whose name is on the billing account.
2. Rebate credit application submittal begins February 1, 2016.
3. Limited to first 50 applications.
4. One application must be submitted for each toilet being replaced.
5. Application must include all receipts.
6. Toilets must have been purchased after January 1, 2014.
7. Rebate credit will be applied to the customer's water bill.
8. Toilets must be installed within NTPUD's water boundaries. NTPUD staff shall perform inspections of all installations prior to applying rebate credit.
9. Customers will receive a 50% rebate credit up to a total of \$100 per toilet installed. The rebate credit may be a combination of the cost of the toilet and the cost of installation if the toilets are installed by a California Licensed Contractor, up to the maximum rebate credit amount of \$100 per toilet.
10. Rebate credit will only apply to replacing existing toilets that use more than 2 gallons per flush with a new 1.6 gallon or less toilet per flush.
11. New construction, tear-down rebuild construction, and bathroom additions are not eligible to receive rebate credit. Bathroom remodels on existing bathrooms with toilets are eligible.
12. Submit an **application** and **original receipt(s)** to:
