## **North Tahoe Public Utility District Park and Facilities Manager Retires**

Kings Beach, CA – Kathy Long, the District's Park and Facilities Manager, retired from the North Tahoe Public Utility District on August 2, 2013 after serving the North Tahoe Public Utility District for more than eight years.

Kathy will be greatly missed by the North Tahoe Public Utility District and the many agencies and residents with whom she worked upon her retirement in 2013. Her relationships with the Boys and Girls Club of North Lake Tahoe and other community groups resulted in stronger relations and the building of a new Children's Playground in the North Tahoe Regional Park, and a Community Garden. She continues to work with Dog Day in the Park and other dog park supporters to see that project to completion. We are proud of her association with the District and the many things that have been completed in her tenure including the Tahoe Vista Recreation Area, a new Parks Department Master Plan, and a restructuring of staffing at the North Tahoe Event Center which resulted in significant positive changes to its operation and bottom line. She also helped bring technology to the District's Parks Department by supporting the implementation of a work order/asset management program for maintenance of District Parks and Facilities as well as a computer based scheduling and billing software for the Event Center and Parks facilities, which up until that point had all been done by hand.

Prior to her employment with the North Tahoe Public Utility District, Kathy was the District Administrator for the Rio Linda/Elverta Recreation and Park District and prior to that, the Park

Division Manager of the Chico Area Recreation and Park District where she began her career in the Parks and Recreation field. Kathy graduated from California State University, Chico with a Bachelor of Science Degree in Agriculture/Horticulture.

We extend our best wishes to Kathy for continued health and happiness in her retirement, and success in all future endeavors. Thanks for all you have done for our community, Kathy!

The North Tahoe Public Utility District provides sewer and water service to the residents of Kings Beach, Tahoe Vista, Carnelian Bay, Cedar Flat and Agate Bay. The District owns, manages and maintains the North Tahoe Regional Park in Tahoe Vista which provides recreation opportunities to residents and visitors. In addition, the District owns and/or maintains all of the public beaches in the District including Kings Beach State Recreation Area, Tahoe Vista Recreation Area, and Secline Beach to name just a few. The North Tahoe Event Center in downtown Kings Beach is also owned and managed by the District.
