North Tahoe Public Utility District Hires Loren Holt as Recreation and Parks Administrative Manager

(Tahoe Vista, CA) – Loren Holt joins the North Tahoe Public Utility District (NTPUD) this week as the District’s new Administrative Manager. Prior to joining the NTPUD, Mr. Holt served the past eight (8) years as the Manager of Parks Planning and Development for the City of Modesto.

Mr. Holt has nearly sixteen years of experience working in municipal government park operations, most recently for the City of Modesto and prior to that as Parks Manager for the City of Madera. He is a graduate of California Polytechnic State University, San Luis Obispo with a degree in Landscape Architecture and Ornamental Horticulture. Mr. Holt owned and operated a wholesale nursery in Turlock, CA prior to moving into municipal government.

“The District has a large number of important tasks to tackle in the coming years,” said General Manager/CEO Duane Whitelaw. “We are pleased to bring someone with Loren’s vast experience to the District.”

The Administrative Manager position replaces the Park and Facilities Manager position and adds the responsibilities of working with General Manager/CEO Duane Whitelaw on special projects. Mr. Holt was one of fifty applicants and six candidates interviewed. He was selected by a panel that included District employees and Recreation and Parks Commission members.

Mr. Holt will supervise and manage all aspects of the administration of the Recreation and Parks Department including budgets, grant programs and contracts, seasonal and full time employees, the North Tahoe Regional Park, Tahoe Vista Recreation Area, North Tahoe Event Center and other District owned buildings and facilities. He will also provide support to the General Manager/CEO on special projects.

Mr. Holt is looking forward to meeting members of the community at the Annual NTPUD Pancake Breakfast this coming Saturday, March 12, 2016 at the North Tahoe Event Center prior to the Kings Beach Parade.

The North Tahoe Public Utility District provides sewer and water service to the residents of Kings Beach, Tahoe Vista, Carnelian Bay, Cedar Flat and Agate Bay. The North Tahoe Regional Park, Tahoe Vista Recreation Area and Boat Launch and North Tahoe Event Center are owned and operated by the District and provide recreation opportunities to residents and visitors.

Approved By: Duane Whitelaw, General Manager/CEO
