North Tahoe Event Center Initial Design Concept Open House

(Kings Beach, CA) On October 24, 2017 from 5:30 – 7:30 PM at the North Tahoe Event Center, the North Tahoe Public Utility District and representatives from Laulima Kings Beach Event Center, LLC will host an Open House to allow the public an opportunity to review and provide comments and feedback on the initial design concept for the proposed renovation of the North Tahoe Event Center.

The initial design concept is currently available for review on the District's website at www.ntpud.org/ntec and posted on display boards for viewing in the lobby at the North Tahoe Event Center at 8318 North Lake Blvd in Kings Beach or the District Base Facilities at 875 National Avenue in Tahoe Vista during normal business hours, Monday – Friday, 8 AM – 5:00 PM (4:30 PM at the Event Center). Those unable to attend the meeting can use the comment form on the District website or leave written comments at the North Tahoe Event Center or at the District Base Facilities.

Comments will be collected and forwarded to LKBEC representatives. Design specific comments and suggestions on the proposed design and site amenities are encouraged. Questions or comments relating to the permitting process or future operation of the Event Center cannot be answered at this time.

“The District is pleased to host this meeting to collect comments on behalf of Laulima Kings Beach Event Center, LLC on their initial design concept for the North Tahoe Event Center,” stated Loren Holt, Administrative Manager for the North Tahoe Public Utility District. “This is the opportunity to talk about what is being proposed for the building remodel and provides the community an opportunity to give some suggestions into the design.”

This meeting will begin moving the responsibility for the future of the Event Center, from the District over to Laulima Kings Beach Event Center, LLC as the terms of the Lease Agreement are implemented. As such, the comments may not influence the initial design concept to any degree or they may provide LKBEC with local insight on how the building is being used.

Information on the process leading up to this point is available on the NTPUD website www.ntpud.org/ntec and clicking on Background Information. The effective date of the lease is October 5, 2017 and the current focus is on moving forward with the next steps in the lease.

Information on NTPUD board meetings, including agendas and packets, may be obtained on the District's website. Residents are strongly encouraged to sign up on the District's email list to receive agendas, press releases and other information from the District at www.ntpud.org. The sign-up link is available on the home page.

The North Tahoe Public Utility District provides sewer and water service to the residents of Kings Beach, Tahoe Vista, Carnelian Bay, Cedar Flat and Agate Bay. The North Tahoe Regional Park, Tahoe Vista Recreation Area and Boat Launch and North Tahoe Event Center are owned and operated by the District and provide recreation opportunities to residents and visitors.
