Paul A. Schultz Joins North Tahoe Public Utility District as Manager of Planning and Engineering

Kings Beach, CA – Curtis Aaron, General Manager/CEO of the North Tahoe Public Utility District announced today that Paul A. Schultz, PE has joined the District as Manager of Planning and Engineering effective April 19th. Mr. Schultz has been working independently as a Civil Engineer in the Tahoe area for the past four years and brings over 25 years of experience in the fields of civil and environmental engineering to the District.

Mr. Schultz holds both a bachelor's and master's degree in civil engineering from California State University, Sacramento and has extensive experience in public works project management and infrastructure planning and design. He currently holds valid engineering licenses in both California and Nevada and General Contracting licenses in California and Utah. Prior to relocating to the Tahoe area in 2006, Mr. Schultz served as a principal engineer at URS Corporation, one of the Nation's largest multi-discipline engineering companies. He has executed numerous public and privately funded engineering projects throughout the western United States.

Board of Directors President Lane Lewis noted Mr. Schultz's experience in the water, wastewater, stormwater and drainage specialties as well as his experience in project management, planning and design. "We are enthusiastic about his coming to join the District."

The North Tahoe Public Utility District recently completed a national recruitment program for the Manager of Planning and Engineering position that was left vacant when former District Engineer Tom Goebel resigned to take a job with the US Army Corp of Engineers in Sacramento, CA. The District received 67 applications for the position. From that pool, six (6) applicants were interviewed for the new position.

Mr. Schultz enjoys skiing and kayaking and is a docent at the Tahoe Maritime Museum in Homewood, CA. Mr. Schultz resides on the west shore of Lake Tahoe with his wife, Kathleen and their dog, Kiva.

The North Tahoe Public Utility District provides sewer and water service to the residents of Kings Beach, Tahoe Vista, Carnelian Bay, Cedar Flat, Dollar Point and Agate Bay. The District owns, manages and maintains the North Tahoe Regional Park in Tahoe Vista which provides recreation opportunities to residents and visitors alike. In addition, the District owns and/or maintains all of the public beaches within the District including Kings Beach State Recreation Area, and Secline Beach to name just a few. The District also owns, manages and operates the North Tahoe Event Center.
