*Koch & Koch, Inc. had an error in their bid form for Bid Item #5, whereby the Unit Cost and the Total Cost were the same. Bid Specifications section 00 41 43, 1.1.A, states "if the amount set forth as a unit price is...the same amount as the entry in the "Item Cost" column, then the amount set forth in the "Item Cost" column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the Unit Price". As this discrepancy is addressed in the Bid Documents, Koch & Koch, Inc. remains the Lowest Responsive and Responsible Bidder.
