* Please note that the charges above are to provide and install a customer's water meter and to complete the tapping of the water distribution main. If a fire service detector check is required to be installed, the District's direct costs shall be charged to the customer for installation. Such charges are imposed in addition to the fees set forth in Attachment A-2.

Charges apply to all service types.

Delinquent Bills. In the event of delinquency in the payment of any rates, or charges, or installation charges thereof, or interest thereon, penalty and interests shall be imposed as set forth in set forth in this Ordinance a basic penalty of 10% of the amount of each delinquency shall be added, plus an additional penalty of one percent (1%) per month for non-payment of rates, charges, installation charges, and/or interest and penalties. Notwithstanding the foregoing, if a customer demonstrates that he or she has a household income below 200% of the federal poverty level, the District shall waive interest charges on delinquent bills once every twelve months.
