North Tahoe Public Utility District Introduces William Stelter, PE as Planning and Engineering Manager

Kings Beach, CA – Paul Schultz, the GM/CEO of the North Tahoe Public Utility District announced today that Mr. William Stelter, PE has been hired as the Planning and Engineering Manager. Mr. Stelter has worked the last 10 years as a design and project engineer for Gary Davis Group in Tahoe City, CA, and has been working in the Civil Engineering field for approximately 14 years.

Mr. Stelter holds a bachelor's degree in Civil Engineering from Florida Institute of Technology, a Master's degree in Civil Engineering, with Environmental focus, from the University of Virginia and has extensive local experience in design, project planning, agency regulations and approvals processing. In addition, he brings experience as a construction inspector on a variety of utility infrastructure and development projects. He currently holds a Civil engineering license in both California and Nevada and is also a professional in Erosion and Sediment Control.

General Manager Paul Schultz noted, "We are enthusiastic about his experience in project management and utilities to continue to move our Capital Improvement Program forward."

Mr. Stelter enjoys skiing and biking of all types as well as all other recreational opportunities the area has to offer. Mr. Stelter currently resides in Truckee with his girlfriend Marnie, and their dog Whisper.

The North Tahoe Public Utility District provides sewer and water service to the residents of Kings Beach, Tahoe Vista, Carnelian Bay, Cedar Flat and Agate Bay. The District owns, manages and maintains the North Tahoe Regional Park in Tahoe Vista which provides recreation opportunities to residents and visitors. In addition, the District owns and/or maintains all of the public beaches in the District including Kings Beach State Recreation Area, Tahoe Vista Recreation Area, and Secline Beach to name just a few. The North Tahoe Event Center in downtown Kings Beach is also owned and managed by the District.
