

2022/23 NTPUD Recreation & Parks Resident Benefits Program

What is CFD 94-1? The Community Facilities District (CFD) 94-1 is a voter approved Mello Roos special tax assessment of all taxable developed properties within NTPUD boundaries. The CFD supports operations and maintenance of Recreation and Parks amenities throughout the District, including the North Tahoe Regional Park and the Tahoe Vista Recreation Area. Funds collected from this tax measure also support youth recreation programming in the District.

Who is Eligible? All District residents who pay the CFD 94-1 assessment as part of their property tax bill are eligible for the Resident Benefits Program. District residents who are renters and tenants and don't pay the CFD 94-1 tax assessment directly can request that the owner or property management company assign the property's Resident Benefit privileges to them, by submitting the additional assignment form.

What benefits do I get? Resident benefits include free parking at the North Tahoe Regional Park and the Tahoe Vista Recreation Area, as well as discounted daily and season pass launch rates at the Tahoe Vista Boat Launch. Residents also receive discounts on rental of Regional Park facilities, the North Tahoe Event Center, as well as discounts on activities provided through District concessionaires. All District residents who pay the CFD 94-1 assessment are eligible for two (2) vehicle stickers. A third or fourth sticker can be purchased for half the cost of that year's assessment.
