**4. ADJOURNMENT**

**NORTH TAHOE  
PUBLIC UTILITY DISTRICT**

**DATE:** April 13, 2026  
**FROM:** Chief Financial Officer  
**SUBJECT:** Finance Committee Memo

**SELECTED TOPICS OF DISCUSSION:**

**A. Review and Approve Accounts Paid and Payable for the Period from March 10, 2026 – April 13, 2026 – Recommendation to Full Board**

*There were no questions raised by the Finance Committee during the Period between March 10, 2026, and April 13, 2026.*

**B. Review Draft Financial Statements for the Month Ending February 28, 2026 – Recommendation to Full Board**

Please refer to the memo titled *Draft Financial Reports through February 28, 2026*, to the Board of Directors.

**C. North Tahoe Event Activity**

The Event Center continues its strong performance with total Operating Revenue of \$393,780 which is \$75,586 better than budget for the eight-month period ended February 28, 2026. Moreover, the pipeline for future business already booked is significantly higher than the comparable period last year. For instance, there are approximately \$570,000 of future events committed compared to approximately \$435,000 at same time last year.

**D. Cash Flow and Grant Revenue**

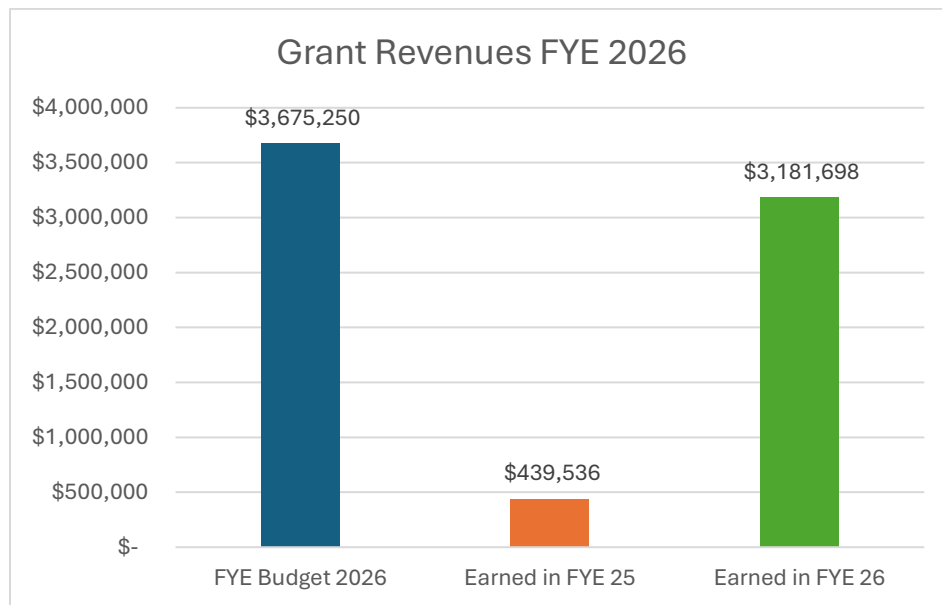

Cash flow has rebounded from the heavy construction activity at the end of FY 2025 due primarily to the three million-dollar plus construction projects related to the Trail Extension effort, the Trout Street Watermain and Fire Suppression effort, and the Smart Meter Replacement effort. In particular, cash and investment balances increased significantly after we received approximately \$4.9 million for property taxes back in January. Notably, we just completed the final walkthrough with the State of California funding partner for the Trail Extension effort and expect their \$1.1 million soon.

As of February 28, 2026, the amount of cash and investment reported in the Treasurer’s report was approximately \$13.5 million compared to approximately \$14.0 million in the prior month. The balance at this time in 2025 was approximately \$12.0 million and in 2024 was approximately \$11.1 million. (This information is included for informational purposes as of a point in time.)

**Grant Revenue:** The District’s current grant portfolio for the FYE 2026 consists of approximately 16 individual grants with an aggregate award value of \$5.2 million at the beginning of FYE 2026. For additional details on each individual award, please refer to page 33 of the February 2026 financial statements.

As reported previously, the District anticipated a shortfall by as much as \$494,000 due primarily to a number of grants having activity in June 2025 (the last month of the FYE 2025) which was different from the budget which anticipated the activity in FYE 2026. The major grant projects are completed or nearly completed.

Below is a bar graph which the District’s staff is using to track the grant activity. At this stage, it does appear that the District may reduce the anticipated deficit to \$400,000 or less depending on the activity through June 30, 2026.

**E. Adopt Resolution 2026-02 – Setting Various Rates at District Parks and the North Tahoe Event Center – Recommendation to Full Board**

North Tahoe PUD Ordinance 390 and 375 state that rates for use of District facilities be set via Resolution and reviewed annually. Rates for park facilities, including North Tahoe Regional Park and Tahoe Vista Recreation Area were reviewed and changes were proposed at the February 2026 Recreation Commission meeting. The North Tahoe Event Center rates were reviewed during the February 2026 Commission meeting and the March 2026 Board of Directors Meetings.

Refer to memo attached for more information.

**F. Authorize the General Manager to Execute Lease Agreement with Lockwood Moore for Office Imaging Equipment**

Authorize the General Manager to execute a 63-month Lease Agreement with US Bank for Lockwood Moore, the Supplier of Office Imaging Equipment and Services for a total amount of \$119,700. Lockwood Moore is on the California eProcure Database as the authorized reseller of Ricoh. These contracts have been publicly bid and awarded by the California State Government Marketplace. The District is currently receiving these services from Lockwood Moore and the existing lease agreement will be replaced with this new lease agreement.

Refer to memo attached for more information.

**G. Updates on North Tahoe Building Corporation (NTBC), Pension and Audit Preparation**

The first draft of the 990 for NTBC was reviewed, and feedback was provided to the auditors. The audit for the pension is scheduled to conclude next month.

In preparation for the FYE 2026 audit, we expanded our review of fixed asset records and identified assets no longer in service that remain on the register. These legacy items, some dating back several decades, reflect historical practices during periods of significant changes and priorities for the District.

We have addressed the specific auditor concerns regarding fully depreciated assets that were sold but not ultimately removed from the fixed-asset register due to legacy issues. Processes have been updated to ensure all asset retirements are accurately recorded going forward. To ensure the accuracy and completeness of all fixed asset records, we are implementing a phased review over the next fiscal year. This review will:

- Verify the status of legacy asset categories.
- Retire or correct records as appropriate.
- Strengthen processes to prevent similar discrepancies in the future.

We believe this approach provides a systematic path to fully update the register and enhances controls over fixed asset management. Periodic updates will be provided to the Finance Committee as the review progresses.

**H. Update on Government Finance Officers Association (GFOA) Award Designation**

As part of an exploratory initiative, the District's staff is evaluating the District practices against guidance established by the Government Finance Officers

Association (GFOA), a leading organization promoting excellence in public sector financial management. While GFOA award programs are commonly associated with general-purpose governments, their criteria are largely applicable to special districts, including public utility districts. This effort is therefore framed not solely as an awards pursuit, but as a structured review of current practices against nationally recognized standards for budgeting, financial reporting, and transparency.

A critical first step is an eligibility assessment for relevant GFOA award programs. Eligibility is not determined solely by organizational type, but by whether the District’s financial documents meet the intent, structure, and completeness expected under each program.

Award Program	Focus Area	Primary Output	Eligibility Risk	Dependency	Timing
Distinguished Budget Presentation Award	Budgeting	Adopted Budget Document	Low	None	Near-term (Year 1)
Certificate of Achievement for Excellence in Financial Reporting	Financial Reporting	Annual Comprehensive Financial Report (ACFR)	Medium-High	ACFR capability required	Mid-term (Year 2+)
Popular Annual Financial Reporting Award (PAFR)	Public Transparency	Summary Financial Report (PAFR)	High	Requires ACFR	Future / Optional

The anticipated benefits of this effort could include improved clarity and usability of financial documents for the Board and the public, strengthened internal processes, and increased transparency and accountability.

While successful award recognition would provide external validation, the primary value lies in aligning with GFOA best practices. Even if the District is not ultimately eligible for or does not pursue specific awards, this process is expected to enhance overall financial governance and public trust.

## I. Customer Services Activity

Beginning in May 2025, the Customer Service Department started publishing general categories of different customer accounts so the relatively stable information could be circulated. Because the District doesn’t anticipate many changes, when there is a difference, it is flagged so it can be included in monthly analysis. Please refer to the table below for month-to-month activity. In the case below, there was a change to a multiple-family account.

# NORTH TAHOE PUBLIC UTILITY DISTRICT

**DATE:** April 24, 2026

**ITEM:** E-3a

**FROM:** Finance Department

**SUBJECT:** Draft Financial Statements for the Month Ending February 28, 2026

**All Funds Consolidated:**

For the eight-months ending February 28, 2026, the overall financial performance shows a Net Income of \$5,826,042, which is \$663,889 (or 12.9%) favorable compared to the budgeted net income of \$5,162,153. This positive variance is primarily attributable to operating revenues being slightly more than budget and significant savings across multiple operating expense categories.

Favorable spending variances were led by reductions in Salaries and Wages, Employee Benefits, and Other Operating Expenses. While many of these variances are timing-related, they will continue to be closely monitored.

Collectively, the favorable variances more than offset a \$493,552 (or 13.4%) shortfall in Grant Revenue. As reported in previous reports to the Board the grant revenue is

currently expected to be more than \$400,000 under budget due to a number of factors including significant construction activity in June of FYE 2025 which was budgeted for FYE 2026. Grants are lower than budgeted in both the Water Fund and Rec and Park Fund and both are expected to finish lower than the budget.

Overall, consolidated performance remains favorable compared to budget, supported by disciplined expense management and steady operating revenue performance. Below is a breakdown of major line items integrating all divisions' year-to-date results:

- **Total Operating Revenue (Line 4)**

- Actual: \$8,646,919
- Budget: \$8,592,077
- Variance: \$54,842 favorable

Operating revenues are slightly ahead of budget based on positive variances in Recreation and Parks offset by a shortage in Wastewater.

- **Salaries and Wages (Line 6)**

- Actual: (\$4,165,888)
- Budget: (\$4,324,248)
- Variance: \$158,360 favorable

Salaries and wages are below budget, largely due to position vacancies and timing of hires relative to budget. In addition to the open Senior Engineer two vacancies occurred at the Event Center which were recently filled (one as a transfer from operations).

- **Employee Benefits (Line 7)**

- Actual: (\$1,942,671)
- Budget: (\$2,156,095)
- Variance: \$213,424 favorable

Employee benefits are trending below budget in alignment with staffing levels and benefit cost timing which were front loaded in the budget for the first half of the year and are expected to level out in part by end of the year.

- **Outside Services/Contractual (Line 8)**

- Actual: (\$1,040,088)
- Budget: (\$1,173,549)

- Variance: \$133,461 favorable

General & Administrative contributed heavily to this variance. However, Fleet & Equipment and Wastewater experienced higher-than-budgeted outside services costs due to ancillary items for new vehicles.

- **Utilities (Line 9)**

- Actual: (\$582,183)
- Budget: (\$650,878)
- Variance: \$68,695 favorable

Utility expenses are favorable to budget but as discussed previously a significant rate increase of more than double digits is expected before the end of the year.

- **Other Operating Expenses (Line 10)**

- Actual: (\$964,844)
- Budget: (\$1,252,246)
- Variance: \$287,402 favorable

Contractual and outside service costs are below budget primarily reflecting slower than budgeted starting dates for various projects. While spending rate picked up in February, the overall slower spending rate is driven by multiple factors, including timing of purchases, lower repair activity, and the impact of resource allocations related to ongoing capital project work (such as smart meter installations, trail consolidation, and fire suppressant initiatives).

- **Insurance (Line 11)**

- Actual: (\$331,571)
- Budget: (\$329,310)
- Variance: (\$2,261) unfavorable

Insurance premiums which are renewed each March will be increasing based on a combination of higher replacement values for assets covered and higher “traditional” premiums.

- **Depreciation (Line 14)**

- Actual: (\$2,505,945)
- Budget: (\$2,725,773)

- Variance: \$219,828 favorable

Depreciation is running behind budget based on the “intentional” timing of capital projects being placed into the general ledger. The District is revisiting the manner in which individual components of larger capital projects are considered for classification as they are placed into service for accounting purposes. Currently, several large project such as trail consolidation and Trout watermain and Smart meters are underly analysis. We anticipate making retroactive (or cumulative entries for depreciation expense) by end of fiscal year.

### **Wastewater Fund Highlights**

For the year-to-date through February 28, 2026, the Wastewater division reported a Net Loss of (\$257,697), which is \$270,520 favorable compared to the budgeted loss of (\$528,217). While operating revenues were slightly below projections, the fund achieved favorable variances across nearly expense categories. Savings in salaries, employee benefits, utilities, and other operating expenses significantly reduced the anticipated deficit.

Key highlights:

- **Line 4 – Total Operating Revenue** was \$3,667,371, which is (\$98,345) unfavorable. In addition, to the 3% budgeting variance in service fees that was noted earlier in the year. In addition, connection fees were budgeted at \$60,000 for the year and are currently only \$11,000. (Last year the amount realized for the entire year was more than \$86,000.) We continue to track this variance and believe that savings in operating expenses will neutralize this deficit.
  - **Line 6 – Salaries and Wages** was (\$871,924), which is \$20,577 favorable.
  - **Line 7 – Employee Benefits** was (\$419,290), which is \$69,484 favorable.
  - **Line 8 – Outside Services** was (\$134,304), which is \$1,372 favorable.
  - **Line 9 – Utilities** was (\$149,517), which is \$18,699 favorable.
  - **Line 10 – Other Operating Expenses** was (\$90,685), which is \$69,140 favorable.
  - **Line 11 – Insurance** was (\$70,864), which is \$903 favorable.
  - **Line 14 – Depreciation Expense** was (\$822,611), which is \$29,333 favorable.
- 

### **Water Fund Highlights**

For the year-to-date through February 28, 2026, the Water division reported a Net Income of \$2,594,007, which is \$267,421 favorable compared to the budgeted income

of \$2,326,586. Revenue performance remained stable dipping slightly below projections, while all major operating expense categories trended favorably. Notable savings in benefits, outside services, utilities, and depreciation contributed to the positive variance.

Key highlights:

- **Line 4 – Total Operating Revenue** was \$3,783,323, which is (\$18,449) unfavorable. Actual metered water sales were nearly \$20,000 lower than the budget of approximately \$774,000 for the period.
- **Line 6 – Salaries and Wages** was (\$754,675), which is \$14,554 favorable.
- **Line 7 – Employee Benefits** was (\$359,806), which is \$54,528 favorable.
- **Line 8 – Outside Services** was (\$158,000), which is \$41,727 favorable.
- **Line 9 – Utilities** was (\$255,610), which is \$22,526 favorable.
- **Line 10 – Other Operating Expenses** was (\$277,235), which is \$57,275 favorable due primarily to timing of certain activities.
- **Line 11 – Insurance** was (\$70,864), which is \$903 favorable.
- **Line 14 – Depreciation Expense** was (\$867,824), which is \$192,502 favorable due primarily to the intentional timing as accounting continues its research related to asset classifications before placing several completed projects into service (retroactively).

---

## Recreation & Parks Fund Highlights

For the year-to-date through February 28, 2026, the Recreation & Parks division reported a Net Income of \$2,170,979, which is \$171,737 favorable compared to the budgeted income of \$1,999,242. Operating revenues exceeded expectations, reflecting stronger parking fees related to sledding area and event center performance. Although outside services ran slightly above budget, savings in benefits, utilities, and other operating expenses more than offset the variance.

Key highlights:

- **Line 4 – Total Operating Revenue** was \$1,165,338, which is \$164,748 favorable.
- **Line 6 – Salaries and Wages** was (\$797,483), which is \$14,506 favorable.
- **Line 7 – Employee Benefits** was (\$357,202), which is \$54,033 favorable.
- **Line 8 – Outside Services** was (\$225,323), which is (\$11,887) unfavorable due primarily to the change in vendors for linen services as customers requested upgraded linens (from .
- **Line 9 – Utilities** was (\$85,256), which is \$11,208 favorable.

- **Line 10 – Other Operating Expenses** was (\$127,658), which is \$33,642 favorable due primarily to timing of certain budgeted activities.
  - **Line 11 – Insurance** was (\$72,547), which is (\$780) unfavorable.
  - **Line 14 – Depreciation Expense** was (\$603,900), which is \$4,931 favorable.
- 

### Event Center Fund Highlights

For the year-to-date through February 28, 2026, the Event Center division reported a Net Loss of (\$129,480), which is \$127,387 favorable compared to the budgeted loss of (\$256,867). Strong operating revenue performance helped offset overages in outside services. Savings in salaries, employee benefits, utilities, and other operating expenses contributed to the favorable variance.

Key highlights:

- **Line 4 – Total Operating Revenue** was \$393,780, which is \$78,586 favorable.
  - **Line 6 – Salaries and Wages** was (\$229,361), which is \$25,656 favorable.
  - **Line 7 – Employee Benefits** was (\$109,187), which is \$27,545 favorable.
  - **Line 8 – Outside Services** was (\$46,210), which is (\$20,390) unfavorable to the change in vendors for linen services as customers requested upgraded linens.
  - **Line 9 – Utilities** was (\$47,707), which is \$8,203 favorable.
  - **Line 10 – Other Operating Expenses** was (\$74,209), which is \$7,983 favorable.
  - **Line 11 – Insurance** was \$0, which is in line with budget.
  - **Line 14 – Depreciation Expense** was \$0, which is in line with budget.
- 

### Fleet & Equipment Fund Highlights

For the year-to-date through February 28, 2026, the Fleet & Equipment division reported a Net Income of \$131,517, which is \$65,241 favorable compared to the budgeted income of \$66,276. The favorable variance was primarily driven by significant savings in other operating expenses. While outside services, insurance and depreciation were slightly above budget, overall expenditures remained comparable.

Key highlights:

- **Line 4 – Total Operating Revenue** was \$0, which is in line with budget.
- **Line 6 – Salaries and Wages** was (\$110,324), which is (\$130) unfavorable.

- **Line 7 – Employee Benefits** was (\$58,092), which is \$8,582 favorable.
- **Line 8 – Outside Services** was (\$19,109), which is (\$7,409) unfavorable.
- **Line 9 – Utilities** was (\$5,940), which is \$870 favorable.
- **Line 10 – Other Operating Expenses** was (\$96,734), which is \$68,466 favorable.
- **Line 11 – Insurance** was (\$39,864), which is (\$3,623) unfavorable.
- **Line 14 – Depreciation Expense** was (\$167,506), which is (\$1,594) unfavorable.

---

### **General & Administrative Fund Highlights**

For the year-to-date through February 28, 2026, the General & Administrative division reported a Net Income of \$1,187,239, which is (\$111,030) unfavorable compared to the budgeted income of \$1,298,269. Most operating expense categories performed favorably, including salaries, benefits, and outside services. However, higher depreciation expense and allocation timing variances contributed to the unfavorable net variance. Overall spending remains controlled, and allocation fluctuations will continue to be monitored.

Key highlights:

- **Line 4 – Total Operating Revenue** was \$30,886, which is \$6,886 favorable.
- **Line 6 – Salaries and Wages** was (\$1,631,481), which is \$108,854 favorable.

- **Line 9 – Utilities** was (\$85,861), which is \$15,391 favorable.
- **Line 10 – Other Operating Expenses** was (\$372,531), which is \$58,880 favorable.
- **Line 11 – Insurance** was (\$77,432), which is \$335 favorable.
- **Line 14 – Depreciation Expense** was (\$44,103), which is (\$5,343) unfavorable.

## NORTH TAHOE PUBLIC UTILITY DISTRICT

**DATE:** April 14, 2026

**ITEM:** F-4

**FROM:** Recreation, Parks, and Facilities Department

**SUBJECT:** Adopt Resolution 2026-02 – Setting Various Rates at District Parks and the North Tahoe Event Center

### **RECOMMENDATION:**

Adopt Resolution 2026-02 – Setting various rental rates for field and facility use at the North Tahoe Regional Park, Tahoe Vista Recreation Area, and North Tahoe Event Center.

### **DISCUSSION:**

North Tahoe Public Utility District Ordinances 390 and 375 state that fees for use of District facilities be set via Resolution and reviewed annually. Rates for park facilities, including North Tahoe Regional Park (NTRP) and Tahoe Vista Recreation Area (TVRA) were reviewed and changes were proposed at the February 2026 Recreation Commission meeting. The North Tahoe Event Center (NTEC) rates were reviewed during the February 2026 Commission meeting and the March 2026 Board of Directors meeting.

Proposed changes and updates to the NTRP spaces are limited this year due to a universal 5% increase for all fields and outdoor gathering spaces in 2025 and the recommendation to not have another universal increase in 2026. Instead, the newly renovated Pickleball Plaza, Tennis Plaza, and Playground Picnic Plaza have a recommended fee addition or increase for these three areas.

The second area of focus is at TVRA. Incremental price increases, consistent with grant restrictions from the California Boating and Waterways, are recommended for the Boat Launch. The proposed price of resident launch will increase \$1 and the Environmental Impact Fee, charged to non-residents, is recommended to increase \$7. This will bring the total daily launch fee to \$18 for Residents and \$75 for Non-Residents.

Additionally, an incremental increase for the Kayak and Stand-Up Paddleboard Seasonal Storage racks is recommended for 2027. The seasonal racks were installed in 2023, and this is the first year of a suggested price increase.

At the NTEC, the annual rate adjustment is focused on the Lakeview Room and Entire Building private events bookings. Rates have been adjusted for specific days of the week along with a blanket discount of 25% to government agencies and 50% to Residents. All rates have been rounded to the nearest \$25 as well.

In totality, with different fees offered for three different user groups (base rate, government, and resident), different days of the week (Monday – Thursday, Friday, Saturday, and Sunday), and two different types of events (meetings and private), combined with all the rooms, there are 432 rates at the NTEC. Importantly, in accordance with Ordinance 375, the Event Center Manager still maintains the ability to provide discounted rates as they deem appropriate based on business trends.

Attached for reference are the current rates for NTRP, TVRA and NTEC and the proposed 2026 Rates for the same facilities.

**FISCAL ANALYSIS:**

It is expected that the increase in fees will generate revenue increases of between 15-20% across the Recreation and Parks Enterprise Fund for Fiscal Year 2026/27.

**STRATEGIC PLAN ALIGNMENT:**

Goal 2: Provide high-quality community-driven recreation opportunities and event facilities – Objective A: Expand public access for recreation opportunities and promote the District as an exceptional provider of year-round programming, special events and recreation services – Tactic 1: Expand offerings to highlight the District’s recreation and park assets and drive participation – Activity d: Implement fee matrix that balances fees for programming with free events and address market value with affordability in combination with Community Facilities District (CFD) participation.

Goal 2: Provide high-quality community-driven recreation opportunities and event facilities – Objective D: Utilize the North Tahoe Regional Park (NTRP) as a community asset for passive and active recreation – Tactic 2: Develop, improve, and enhance rentable amenities throughout the Park.

Goal 2: Provide high-quality community-driven recreation opportunities and event facilities – Objective C: Capitalize on the NTEC as our community’s lakefront asset for year-round events and programming – Tactic 3: Continue to expand on NTEC’s potential to be a revenue-generating facility for private events.

**NORTH TAHOE  
PUBLIC UTILITY DISTRICT**

**DATE:** April 14, 2026

**ITEM:** F-5

**FROM:** Planning and Engineering Department

**SUBJECT:** Authorize the General Manager to Execute a Lease Agreement with Lockwood Moore for Office Imaging Equipment

**RECOMMENDATION:**

Authorize the General Manager to execute a 63-month Lease Agreement with US Bank for Lockwood Moore, the Supplier of Office Imaging Equipment and Services for a total amount of \$119,700.

**DISCUSSION:**

The District leases three imaging equipment devices and receives maintenance and toner replacement services for five office imaging equipment devices. The imaging devices have printing, copying, scanning and transmitting capabilities for all the District’s business office needs from preparing Board Packets to scanning and printing large plan sheets. The following Table provides a list of the imaging devices and services covered under the agreement.

<b>Device</b>	<b>Lease Yes/No</b>	<b>Service and Toner</b>
Admin Ricoh Copier Downstairs	Yes	Yes
Admin Ricoh Copier Upstairs	Yes	Yes
Engineering Wide Format Plotter	Yes	Yes
NTEC Ricoh Copier	No – District Owned	Yes
HR Ricoh Copier	No – District Owned	Yes

The agreement includes a monthly allotment of black and white pages and color pages with overages billed at specified rates. The overage amounts are budgeted annually in the operating budget.

Since 2021, the District has received these services from Lockwood Moore. The Engineering Wide Format Plotter is exhibiting signs of failure and requires replacement. The new lease agreement will replace the Engineering Wide Format Plotter with a new model and extend the overall services an additional five plus years for the remaining imaging devices.

Importantly, Lockwood Moore is on the California eProcure Database as the authorized reseller of Ricoh. The pricing used to develop the proposed lease agreement was publicly bid and awarded by the California State Government Marketplace.

**FISCAL ANALYSIS:**

There are no budget impacts for the agreement approval. The annual lease agreement fees are included in the Fiscal Year 2025-26 Operating Budget. Future years' lease fees will also be included in future budgets. This agreement will replace the current lease agreement with Lockwood Moore.

District staff is requesting authorization from the Board to approve the agreement for the total lease fees over the term of the agreement. This agreement is for 63-months, and the term is anticipated to begin in mid-April pending Board approval. The annual lease agreement payment is \$22,800 and the total amount of the agreement for 63-months is \$119,700

**STRATEGIC PLAN ALIGNMENT:**

Goal 4: Sustain and strengthen organizational resources, expertise, and culture – Objective E: Ensure reliability and security of the District's information technology systems.

1. **AGREEMENT:** You agree to lease from us the goods ("Equipment") and, if applicable, finance certain software, software license(s), software components and/or professional services in connection with software (collectively, the "Financed Items," which are included in the word "Equipment" unless separately stated) from software licensor(s) and/or supplier(s) (collectively, the "Supplier"), all as described in this Agreement and in any attached schedule, addendum or amendment hereto ("Agreement"). You represent and warrant that you will use the Equipment for business purposes only. You agree to all of the terms and conditions contained in this Agreement, which, with the acceptance certification, is the entire agreement between you and us regarding the Equipment and which supersedes any purchase order, invoice, request for proposal, response or other related document. This Agreement becomes valid upon execution by us. If maintenance and supplies are not included, the term shall start on the date we pay Supplier and the first Payment is due 30 days after the start of this Agreement and each Payment thereafter shall be due on the same day of each month (the "Scheduled Due Date") unless a different due date is mutually agreed to by us and you. If the parties agree to adjust the Payment due date (an "Adjusted Due Date"), in addition to all Payments and other amounts due hereunder, you will pay an interim payment in an amount equal to 1/30th of the Payment, multiplied by the number of days between the Scheduled Due Date and the Adjusted Due Date. If any provision of this Agreement is declared unenforceable, the other provisions herein shall remain in full force and effect to the fullest extent permitted by law.

2. **OWNERSHIP; PAYMENTS; TAXES AND FEES:** We own the Equipment, excluding any Financed Items. Ownership of any Financed Items shall remain with Supplier thereof. You will pay all Payments, as adjusted, when due, without notice or demand and without abatement, set-off, counterclaim or deduction of any amount whatsoever. If any part of a Payment is more than 5 days late, you agree to pay a late charge of 10% of the Payment which is late or, if less, the maximum charge allowed by law. The Payment may be adjusted proportionately upward or downward: (i) if the shipping charges or taxes differ from the estimate given to you; and/or (ii) to comply with the tax laws of the state in which the Equipment is located. You shall pay all applicable taxes, assessments and penalties related to this Agreement, whether levied or assessed on this Agreement, on us (except on our income) or, on or from the Equipment, its lease, sale, ownership, possession, use or operation. If we pay any taxes or other expenses that are owed hereunder, you agree to reimburse us when we request. You agree to pay us a yearly processing fee of up to \$50 for personal property taxes we pay related to the Equipment. You agree to pay us a fee of up to \$50 for filing and/or searching costs required under the Uniform Commercial Code ("UCC") or other laws. You agree to pay us an origination fee of up to \$125 for all closing costs. We may apply all sums received from you to any amounts due and owed to us under the terms of this Agreement. If for any reason your check is returned for insufficient funds, you will pay us a service charge of \$30 or, if less, the maximum charge allowed by law. We may make a profit on any fees, estimated tax payments and other charges paid under this Agreement.

3. **EQUIPMENT; SECURITY INTEREST:** At your expense, you shall keep the Equipment: (i) in good repair, condition and working order, in compliance with applicable laws, ordinances and manufacturers' and regulatory standards; (ii) free and clear of all liens and claims; and (iii) at your address shown on page 1, and you agree not to move it unless we agree in writing. You grant us a security interest in the Equipment to secure all amounts you owe us under this Agreement or any other agreement with us ("Other Agreements"), except amounts under Other Agreements which are secured by land and/or buildings. You authorize and ratify our filing of any financing statement(s) to show our interest. You will not change your name, state of organization, headquarters or residence without providing prior written notice to us. You will notify us within 30 days if your state of organization revokes or terminates your existence.

4. **INSURANCE; COLLATERAL PROTECTION; INDEMNITY; LOSS OR DAMAGE:** You agree to keep the Equipment fully insured against all risk, with us named as lender's loss payee, in an amount not less than the full replacement value of the Equipment until this Agreement is terminated. You also agree to maintain commercial general liability insurance with such coverage and from such insurance carrier as shall be satisfactory to us and to include us as an additional insured on the policy. You will provide written notice to us within 10 days of any modification or cancellation of your insurance policy(s). You agree to provide us certificates or other evidence of insurance acceptable to us. If you do not provide us with acceptable evidence of property insurance within 30 days after the start of this Agreement, we may, at our sole discretion, charge you a monthly property damage surcharge of up to .0035 of the Equipment cost as a result of our credit risk and administrative and other costs, as would be further described on a letter from us to you. We may make a profit on this program. **NOTHING IN THIS PARAGRAPH WILL RELIEVE YOU OF RESPONSIBILITY FOR LIABILITY INSURANCE ON THE EQUIPMENT.** We are not responsible for, and you agree to hold us harmless and reimburse us for and to defend on our behalf against, any claim for any loss, expense, liability or injury caused by or in any way related to delivery, installation, possession, ownership, leasing, manufacture, use, condition, inspection, removal, return or storage of the Equipment. All indemnities will survive the expiration or termination of this Agreement. You are responsible for any loss, theft, destruction or damage to the Equipment ("Loss"), regardless of cause, whether or not insured. You agree to promptly notify us in writing of any Loss. If a Loss occurs and we have not otherwise agreed in writing, you will promptly pay to us the unpaid balance of this Agreement, including any future Payments to the end of the term plus the anticipated residual value of the Equipment, both discounted to present value at 2%. Any proceeds of insurance will be paid to us and credited against the Loss. You authorize us to sign on your behalf and appoint us as your attorney-in-fact to endorse in your name any insurance drafts or checks issued due to a Loss.

5. **ASSIGNMENT: YOU SHALL NOT SELL, TRANSFER, ASSIGN, ENCUMBER, PLEDGE OR SUBLEASE THE EQUIPMENT OR THIS AGREEMENT, without our prior written consent.** You shall not consolidate or merge with or into any other entity, distribute, sell or dispose of all or any substantial portion of your assets other than in the ordinary course of business, without our prior written consent, and the surviving, or successor entity or the transferee of such assets, as the case may be, shall assume all of your obligations under this Agreement by a written instrument acceptable to us. No event shall occur which causes or results in a transfer of majority ownership of you while any obligations are outstanding hereunder. We may sell, assign, or transfer this Agreement without notice to or consent from you. You agree that if we sell, assign or transfer this Agreement, our assignee will have the same rights and benefits that we have now and will not have to perform any of our obligations. You agree that our assignee will not be subject to any claims, defenses, or offsets that you may have against us. This Agreement shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns.

6. **DEFAULT AND REMEDIES:** You will be in default if: (i) you do not pay any Payment or other sum due to us or you fail to perform in accordance with the covenants, terms and conditions of this Agreement or any other agreement with us or any of our affiliates or fail to perform or pay under any material agreement with any other entity; (ii) you make or have made any false statement or misrepresentation to us; (iii) you or any guarantor dies, dissolves, liquidates, terminates existence or is in bankruptcy; (iv) you or any guarantor suffers a material adverse change in its financial, business or operating condition; or (v) any guarantor defaults under any guaranty for this Agreement. If you are ever in default, at our option, we can cancel this Agreement and require that you pay the unpaid balance of this Agreement, including any future Payments to the end of term plus the anticipated residual value of the Equipment, both discounted to present value at 2%. We may recover default interest on any unpaid amount at the rate of 12% per year. Concurrently and cumulatively, we may also use any remedies available to us under the UCC and any other law and we may require that you immediately stop using any Financed Items. If we take possession of the Equipment, you agree to pay the costs of repossession, moving, storage, repair and sale. The net proceeds of the sale of any Equipment will be credited against what you owe us under this Agreement and you will be responsible for any deficiency. In the event of any dispute or enforcement of our rights under this Agreement or any related agreement, you agree to pay our reasonable attorneys' fees (including any incurred before or at trial, on appeal or in any other proceeding), actual court costs and any other collection costs, including any collection agency fee. **WE SHALL NOT BE RESPONSIBLE TO PAY YOU ANY CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES FOR ANY DEFAULT, ACT OR OMISSION BY ANYONE.** Any delay or failure to enforce our rights under this Agreement will not prevent us from enforcing any rights at a later time. You agree that this Agreement is a "Finance Lease" as defined by Article 2A of the UCC and your rights and remedies are governed exclusively by this Agreement. You waive all rights under sections 2A-508 through 522 of the UCC. If interest is charged or collected in excess of the maximum lawful rate, we will refund such excess to you, which will be your sole remedy.

7. **INSPECTIONS AND REPORTS:** We have the right, at any reasonable time, to inspect the Equipment and any documents relating to its installation, use, maintenance and repair. Within 30 days after our request (or such longer period as provided herein), you will deliver all requested information (including tax returns) which we deem reasonably necessary to determine your current financial condition and faithful performance of the terms hereof. This may include: (i) compiled, reviewed or audited annual financial statements (including, without limitation, a balance sheet, a statement of income, a statement of cash flow, a statement of changes in equity and notes to financial statements) within 120 days after our fiscal year end, and (ii) management-prepared interim financial statements within 45 days after the requested reporting period(s). Annual statements shall set forth the corresponding figures for the prior fiscal year in comparative form, all in reasonable detail without any qualification or exception deemed material by us. Unless otherwise accepted by us, each financial statement shall be prepared in accordance with generally accepted accounting principles consistently applied and shall fairly and accurately present your financial condition and results of operations for the period to which it pertains. You authorize us to obtain credit bureau reports for credit and collection purposes and to share them with our affiliates and agents.

8. **END OF TERM:** Unless the purchase option is \$1.00, at the end of the initial term, this Agreement shall renew for successive 12-month renewal term(s) under the same terms hereof unless you send us written notice between 90 and 150 days before the end of the initial term or at least 30 days before the end of any renewal term that you want to purchase or return the Equipment, and you timely purchase or return the Equipment. You shall continue making Payments and paying all other amounts due until the Equipment is purchased or returned. As long as you have given us the required written notice, if you do not purchase the Equipment, you will return all of the Equipment to a location we specify, at your expense, in retail re-saleable condition, full working order and complete repair. At the end of the term or upon repossession of the Equipment after a default, you agree to pay us a minimum return fee of \$250, which will cover up to 10 units of returned Equipment and will not be prorated, and in addition, a supplemental return fee of up to \$50 per each unit of returned Equipment in excess of 10 units (collectively, the "Return Fee"). If, in our sole discretion, we allow you to return any Equipment prior to the end of the term, you shall pay us the Return Fee each time you return Equipment. **YOU ARE SOLELY RESPONSIBLE FOR REMOVING ANY DATA THAT MAY RESIDE IN THE EQUIPMENT, INCLUDING BUT NOT LIMITED TO HARD DRIVES, DISK DRIVES OR ANY OTHER FORM OF MEMORY.**

9. **USA PATRIOT ACT NOTICE; ANTI-TERRORISM AND ANTI-CORRUPTION COMPLIANCE:** To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each customer who opens an account.
